

## Occupational Group Summary

### Architecture and Engineering

This group supports the design, development and utilization of industry tools to plan and design residential, institutional and commercial spaces.

### Quick Facts

**Growth among engineering occupations**, especially civil engineers, is expected to be high, with the occupation adding **51,100** positions. As the nation's infrastructure ages, a greater emphasis will be placed on maintaining existing structures as well as designing and implementing new roads, water systems and pollution control systems.

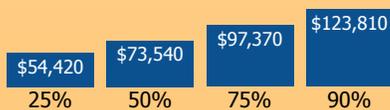

#### Total Jobs May 2010

2,334,400

#### Projected Growth Rate May 2020

10%

#### 2012 Annual Percentile Wage\*

Bureau of Labor Statistics, U.S. Department of Labor, Occupational Outlook Handbook, 2012-13 Edition, [Projections Overview](#)

\*Percentile wage estimate is the value of a wage below which a certain percent of workers fall.

### Career Progression

Advancement often requires any or all of the following: additional education, licensing (L) or certification (C) and on-the-job training.

#### Occupational Pathway

#### Steps for Promotion/Progression

- Looking for a **virtual job**? Some occupations, such as Drafter, can be performed anywhere with the use of a computer and an Internet connection.
- Call a SECO Career Counselor at **800-342-9647** to learn more about career progression for other occupations.
- Search, apply and learn more about federal jobs** within this occupational group on [USAJobs.gov](#). Some federal occupation codes include: **Architect (0808)** and **Aerospace Engineer (0861)**, or search all related federal occupation numeric codes.

**SECO's Career Exploration stage** helps spouses to identify career interests and aptitudes and obtain information about today's job market and work opportunities, including portable skills and careers, entrepreneurship and federal employment options. How?

**By Phone.** 800-342-9647. The Military OneSource SECO Career Center is staffed by certified career counselors who provide comprehensive career counseling services at no cost to all eligible military spouses. The SECO Career Counselors can help identify occupations that are transferrable and portable or offer flexibility.

**Online.** [MySECO](#) is a comprehensive online forum with essential information and resources relating to the SECO lifecycle and leading career counseling tools and assessments. Spouses can develop an online profile to capture and track personal information and progress as they advance their education or career.

**Learn More.** To find out what's new in your occupation, contact one of the [Professional Associations](#) for this occupational group. Relocating? Search the [DOL occupational employment statistics map](#) to see your area's published employment rates and wages for this group.

**SECO's Career Connections stage** helps spouses to connect with corporations, government organizations and nonprofits to gain meaningful, long-term, portable employment.

At the center of the effort is the Military Spouse Employment Partnership, an employment and career partnership connecting military spouses to more than 180 partner employers who have pledged to recruit, hire, promote and retain military spouses in portable careers. Military spouses from all branches of military service can access and apply for career opportunities on the [MSEP Career Portal](#).

MSEP partners represent a number of key occupational groups and offer positions of all kinds. Get active on the MSEP Career Portal to meet our current partners and discover their job opportunities.
