

Quick Start Guide:

Creating and using
your online
individual career
plan, or MyICP

MyICP is an interactive and printable individual career plan containing customized tools, resources and activities to help you plan and meet your career and education goals.

How can MyICP help me meet my career and education goals?

The MyICP provides you with the following advantages:

- ▶ Guides you throughout your career and education lifecycle
- ▶ Tracks your progress in an easy-to-use format
- ▶ Stores information you can use if you are seeking My Career Advancement Account Scholarship benefits

Getting started is easy! This guide will help you understand how to create and manage your MyICP.

Steps in this guide

1

Access the MyICP Wizard

2

Complete Wizard Steps

3

Manage MyICP

Step 1 Access

Access the MyICP Wizard

Creating an individual career plan is fast and easy. To access the wizard, click 'Manage My Individual Career Plan' from the quick action links located throughout MySECO. Then, click 'Create a MyICP' to get started!

The image illustrates the steps to access the MyICP Wizard on the MySECO website. It consists of three screenshots:

- First Screenshot:** Shows the MySECO homepage with a navigation menu (CAREER EXPLORATION, EDUCATION, TRAINING AND LICENSING, EMPLOYMENT READINESS, CAREER CONNECTIONS) and a sidebar of quick action links. The link "Manage My Individual Career Plan" is highlighted with a red box.
- Second Screenshot:** A zoomed-in view of the "Manage My Individual Career Plan" link, showing a mouse cursor hovering over it.
- Third Screenshot:** Shows the user's MyICP dashboard for Becky Garcia. The dashboard includes a profile section, a "Becky Garcia Individual Career Plans" section, and a "MyICP Progress" section. A red box highlights the "Create a MyICP" button at the bottom of the dashboard.

Complete the MyICP Wizard

Create your individual career plan by answering the questions on each wizard screen. Once you've completed the wizard, click 'View MyICP!' to access MyICP Home.

View MyICP!

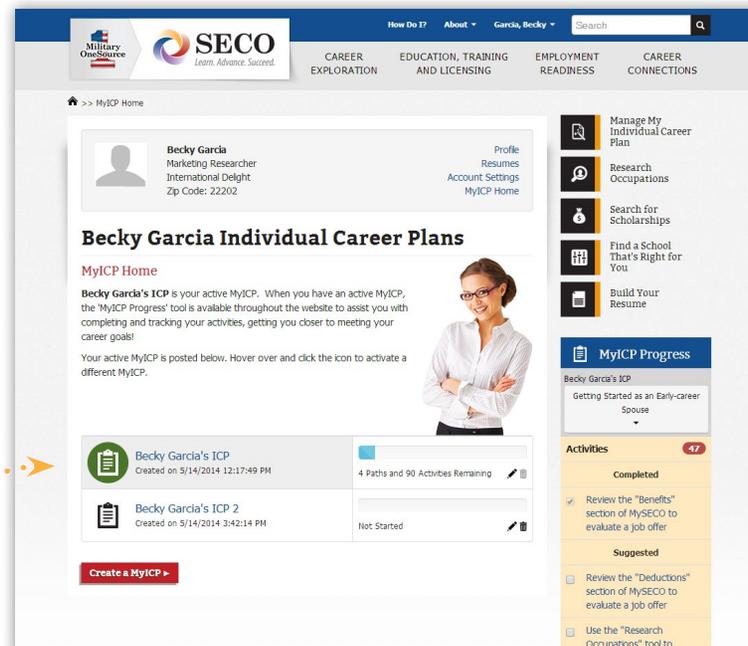

** You can create multiple individual career plans using the MyICP Wizard.*

Manage your Individual Career Plan: MyICP Home

MyICP Home is your first stop when managing your individual career plan.

Access MyICP Home from your spouse profile or by completing the MyICP Wizard.

From MyICP Home, you can do the following:

- ▶ Select a plan to work on
- ▶ Delete a plan from your master list (if you haven't started it yet)

***** You can only work on one MyICP at a time. To activate a different MyICP, click the clipboard icon next to the MyICP you'd like to activate.

What if I don't see any plans?

That's okay! It just means you need to use the MyICP Wizard to create one. Use the 'Create an Individual Career Plan' quick action link to get started.

Manage your Individual Career Plan: Understanding Paths

The screenshot shows the MyICP Home page for Becky Garcia. At the top, there's a navigation bar with 'Military OneSource' and 'SECO' logos, and menu items for 'CAREER EXPLORATION', 'EDUCATION, TRAINING AND LICENSING', 'EMPLOYMENT READINESS', and 'CAREER CONNECTIONS'. Below the navigation bar, the user's name 'Becky Garcia' and title 'Marketing Researcher' are displayed. The main content area is titled 'Becky Garcia's ICP' and includes a 'Plan Overview' section with '4 Paths' and '100 Activities'. The 'MyICP Choices' section shows 'Spouse Type(s)' (Early-Career, Entrepreneurial), 'Occupation' (Not Selected), 'Growth Opportunities' (Time Management/Prioritization), and 'Challenges' (Professional Experience). At the bottom, a table lists the paths and the number of activities to complete in each:

Path	Activities to Complete
Getting Started as an Early-career Spouse	47
Getting Started as an Entrepreneurial Spouse	26
Growth Opportunities	5
Challenges	12

When you select a plan from MyICP Home, you'll start here, your MyICP path page. From this page, you can perform the following actions:

- 1 Rename the selected MyICP
- 2 Make changes to your MyICP choices
- 3 Select a MyICP path to work on
- 4 View the number of remaining activities on each path in your selected plan

Click on a path from your list to work on your customized activities!

Note: You can contact a certified SECO Career Counselor to help you develop a custom path to meet your unique career and education goals.

** Think of paths as different streets you can take on your career road map, all leading to your destination: meeting career and education goals.*

Manage your Individual Career Plan: Understanding Activity Lists

Select your MyICP path page to access the customized activities you can complete to help you meet your goals.

Functions list

Each activity list contains the following functions:

- ▶ Filter activities by complete, remaining or skipped status
- ▶ Skip activities
- ▶ Complete activities

Activities list

The types of activities you might find on your customized list include the following:

- ▶ Recommended assessments
- ▶ Featured articles
- ▶ Links to MSEP partners who may be hiring in your field

Manage your Individual Career Plan: MyICP Progress Widget

If you have created a MyICP, the MyICP Progress Widget will appear on the side of your pages throughout MySECO.

From the widget, you can perform the following tasks on your active career plan:

- ▶ Display the different paths in your plan
- ▶ Directly access activities from the displayed plan, as well as MyICP Home
- ▶ View the latest completed tasks from your plan

***** *The MyICP Progress Widget will only display your active MyICP. If you have more than one plan in MySECO, you will have to activate the plan if you want it to appear in the widget.*

Summary

Career planning can seem overwhelming, but having a plan in place helps. MyICP is an excellent self-service resource to get started on your own!

Tips on MyICP

You can contact a certified SECO Career Counselor to discuss any of your MyICPs or to answer any of your career and education questions. They can help you customize your plan even more by adding paths based on your specialty consultation!

Establishing a MyICP is a requirement in the process for applying for MyCAA benefits. You are highly encouraged to complete the tasks in your plan to help meet your career and education goals.

Visit the [MyICP page](#) on [MySECO](#) for additional information on building your individual career plan.
