

Quick Start Guide: DS Logon Service

The Department of Defense Self-Service Logon, or DS Logon, is a secure, self-service logon ID that allows service members, veterans or family members affiliated with the Department of Defense or Veterans Affairs to access several Department of Defense or Veterans Affairs websites using a single username and password.

All DS Logon accounts are verified through the Defense Enrollment Eligibility Reporting System, or DEERS.

The DS Logon service allows military spouses to access tools offered exclusively to military spouses.

The Spouse Education and Career Opportunities program provides expert education and career guidance to military spouses worldwide. For more information, visit <https://myseco.militaryonesource.mil/> or call Military OneSource at 800-342-9647.
