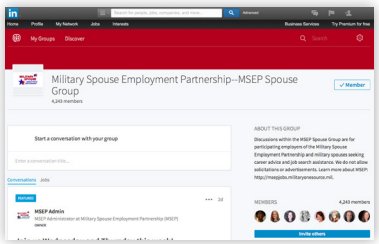
Social media engagement

Connect on SECO Facebook, Twitter, Instagram and the Military OneSource Blog Brigade to discover what military spouses are up to around the world. The SECO social media sites, along with the Military Spouse Employment Partnership LinkedIn Spouse Group, give spouses even more opportunities to connect with employment and education resources, tools and information.

Facebook and LinkedIn Engagement

Military spouses can make connections on Facebook and LinkedIn to help jump-start their careers, chat with certified Career Counselors, connect with employers, as well as network and learn with other spouses.



September 2016

The Department of Defense Spouse Education and Career Opportunities program offers comprehensive information, tools and resources to support military spouse career exploration, education, training and licensing, employment readiness and career connections.
