

Quick Start Guide: Creating a DS Logon Account

My Access Center

The Department of Defense Self-Service Logon, or DS Logon, is a secure, self-service logon ID that allows service members, veterans or family members affiliated with the DoD or Veterans Affairs to access several DoD or VA websites using a single username and password. All DS Logon accounts are verified through the Defense Enrollment Eligibility Reporting System, or DEERS.

MySECO uses the DS Logon service to access tools offered exclusively to military spouses.
